

Introducing a new airspace depiction with Jeppesen Cycle 1008 and Software ver.2.19.203R

With Jeppesen Cycle 1008 and Software ver.2.19.203R, AvMap is introducing a new airspaces depiction.

In the previous map and Software version, it was possible to distinguish 8 types of controlled airspaces:

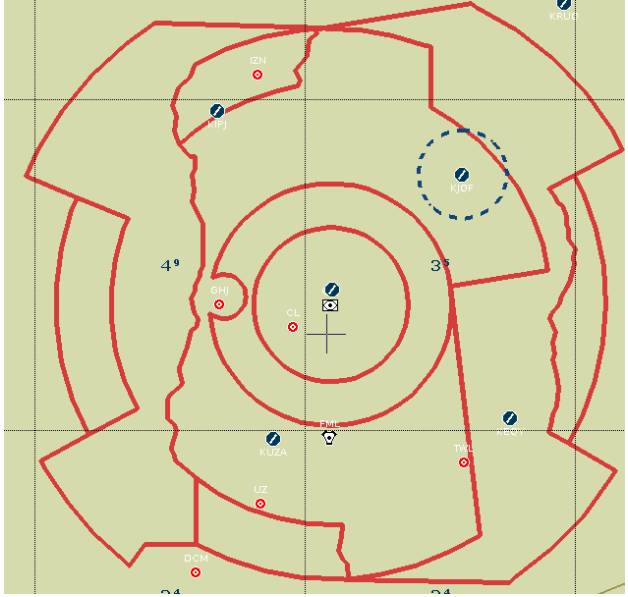

1. Class C Airspace, Airport Radar Service Area (ARSA)
2. Military Air Traffic Zone (MATZ) , Military Control Zone (MCTR or MCTZ) , Military Terminal Area (MTMA)
3. Terminal Control Area, ICAO Definition (TMA)
4. Terminal Radar Service Area (TRSA) , Control area (CTA)–ICAO designation
5. Class B Airspace, Terminal Control Area (TCA)
6. Control Zone (CTR), Class D or E Airspace
7. Mode C Airspace

In the new version it is possible to distinguish more types of controlled airspaces:

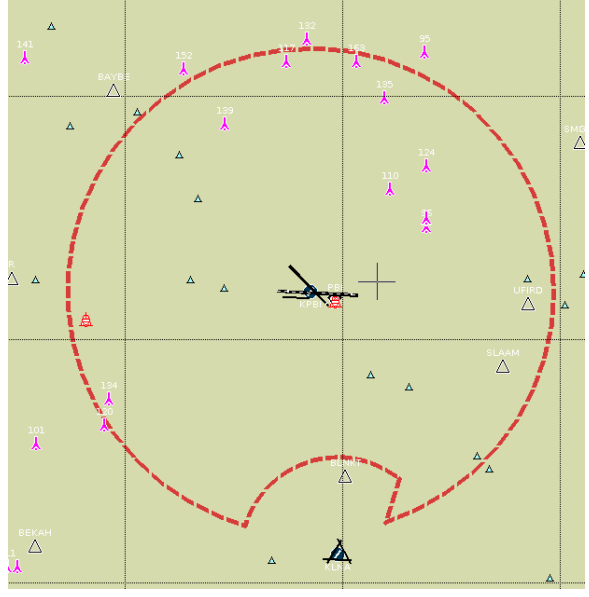

1. Class C Airspace
2. Military Air Traffic Zone (MATZ)
3. Terminal Control Area, ICAO Definition (TMA)
4. Terminal Radar Service Area (TRSA)
5. Class B Airspace
6. Control Zone (CTR)
7. Mode C Airspace
8. Airport Radar Service Area (ARSA)
9. Military Control Zone (MCTR or MCTZ)
10. Military Terminal Area (MTMA)
11. Control area (CTA)–ICAO designation
12. Terminal Control Area (TCA)
13. Class D Airspace
14. Class E Airspace
